Special Guest: Tony Sandler 8 p.m.

TONY SANDLER’s success as a young, charismatic, multi-lingual singer/entertainer made him a top recording artist as well as a star on stage, television, and cinema throughout Europe. This led to his 1963 debut in the United States with the hit revue, ‘Casino de Paris,’ in Las Vegas. Here he met Ralph Young, and the two were teamed up to become the hot and debonair singing duo, Sandler & Young. After 20 fabulously successful years of performing and recording, Sandler & Young remain in the memory of entertainment’s elite with their own star in the sidewalk in Palm Springs. Continuing his own legacy, Belgian-born francophone Tony captivates audiences on both sides of the Atlantic with his charming Gallic music and repartee. His colorful career includes performances in the world’s top nightclubs, entertainment stages and theaters from Cold War Berlin to NYC, from the Italian Riviera to London and LA.
