Subject: More from North

North High in North St. Paul celebrated National French Week in November.

French I and II students created posters and made crêpes. 
French 3 students put up labels around the school …. la porte, l’horloge, les toilettes, etc. 
College in the Schools students read announcements over the PA in French every morning.
In addition, many students purchased red t-shirts and sweatshirts with our theme:

“That awkward moment 
quand tu parles en deux langues.
#lefrançais”

On s’est bien amusé !
